

**Khaled Sabsabi - *The 3rd*
performance / installation / CD launch
Casula Powerhouse Arts Centre
Thursday 20 May at 7.00pm**

"The 3rd is a combination of live and studio recordings made during my time in the Middle East. It's recordings of spaces, atmospheres and people I connected with. There are really significant Artists and places in the Middle East, and I think that they need to be documented to allow exchange to occur with communities here in South Western Sydney."
- Khaled Sabsabi, May 2004.
